2) What specific workforce preparation activities* are included in the AO-K program?

**Workforce preparation activities: Activities, programs, or services designed to help an individual acquire a combination of basic academic skills, critical thinking skills, digital literacy skills, and self-management skills, including competencies in utilizing resources, using information, working with others, understanding systems, and obtaining skills necessary for successful transition into and completion of postsecondary education or training, or employment.*

3) What occupational training is included in the AO-K program?**

***Occupational training: An organized program of study that provides specific vocational skills that lead to proficiency in performing actual tasks and technical functions required by certain occupational fields at entry, intermediate, or advanced levels. Local areas must give priority consideration to training programs that lead to recognized postsecondary credentials that align with in-demand industry sectors or occupations in the local area. Such training must:*

- 1) Be outcome-oriented and focused on an occupational goal specified in the individual service strategy;*
- 2) Be of sufficient duration to impart the skills needed to meet the occupational goal; and*
- 3) Lead to the attainment of a recognized postsecondary credential.*

4) Who are the team teachers (CTE and adult education) for this pathway? Which team-teaching model(s) will be used?
