

KANSAS TEACHER SERVICE SCHOLARSHIP

This **service obligation scholarship program** provides financial assistance to students pursuing bachelor's or master's degree programs as well as currently licensed teachers pursuing new endorsements in hard-to-fill disciplines or master's degrees in hard-to-fill disciplines or either group planning to teach (K-12) in an underserved geographic area in Kansas. To complete the service obligation, recipients must complete one year of teaching for each year of scholarship funding received. RECIPIENTS:

Priority in awarding goes to junior and senior level undergraduate students seeking licensure as a teacher. Funds are rarely available for freshman or sophomore students. This is a merit-based scholarship and your cumulative college GPA factors largely into the awarding decision. The average GPA of past recipients has been 3.50. Recipients may be enrolled either full-time or part-time at a minimum of three credit hours per semester.

Recipients are eligible to receive funding for **up to ten semesters**, which may include a combination of both undergraduate and graduate work, and must continue to maintain satisfactory academic progress each year. The number of recipients awarded is dependent on state funding levels.

➤ **Renewal recipients** are those who received the scholarship the prior academic year. Renewal applicants must apply for the Kansas Teacher Service Scholarship each school year to receive funding; the scholarship does not automatically renew from year to year. Renewals are given top priority in awarding.

- If you are renewing the scholarship and will be transitioning from an undergraduate to graduate program, you are required to contact KBOR regarding your graduate degree. Additional materials may be required.

AWARD AMOUNTS:

Recipients may be eligible for up to **\$6,504** per academic year (**\$3,252 per semester**). The funding amount is based on the number of credit hours taken per semester and is a set amount as follows:

12 + hours	= \$3,252 per semester
9 – 11 hours	= \$2,605 per semester
6 – 8 hours	= \$1,951 per semester
3 – 5 hours	= \$1,301 per semester

SERVICE OBLIGATION REQUIREMENT:

Kansas Teacher Service Scholarship recipients will sign **an agreement/promissory note with the State of Kansas** in which they will agree to:

- Complete the required course of instruction leading to licensure and full endorsement in a field of education as a teacher in the selected hard-to-fill teaching discipline or in an underserved geographic area in the State of Kansas (i.e., graduate from your education degree program);
- Obtain and maintain necessary licensure and endorsement as specified in the scholarship agreement;
- Engage in teaching in the hard-to-fill discipline or in an underserved geographic area in the State of Kansas within six months of licensure in a **state-accredited** public or private school (K-12) on a full-time basis for a period equal to the time scholarship was awarded or commence teaching on a part-time basis for a period that is equivalent to full-time, multiplied by the length of the course of instruction for which the scholarship was awarded.

Please Note: Fulfillment of your teaching obligation begins AFTER completion of your degree program, even if you do not receive the scholarship for the entire duration of your schooling. If a recipient is unable to fulfill the service obligation, either by failing to graduate from their degree program or by not teaching in the state of Kansas, they will be subject to repaying the amount of the scholarship they received plus accrued interest. The interest rate is the same as that of the federal PLUS program at the time the agreement was first entered into plus five percentage points (currently the interest rate is 13.05%).
