The six state universities in Kansas, including Emporia State University, Fort Hays State University, Kansas State University, Pittsburg State University, Wichita State University, and the University of Kansas use the standards below to review applicants for undergraduate admission. These standards are set by the Kansas Board of Regents.

## ACCREDITED HIGH SCHOOL

If you are a Kansas resident who will graduate from an accredited high school during the 2014-2015 academic year, you can guarantee admission to a state university by completing the Qualified Admissions or Kansas Scholars curriculum with a 2.0 GPA and by meeting one of the following requirements:

- ACT score of at least 21; OR
- SAT score of at least 980; OR
- Graduate in the top 1/3rd of your class.

If you enroll in college courses while you are in high school, it is also required that you achieve a 2.0 GPA or higher in those courses.

## QUALIFIED ADMISSIONS PRECOLLEGE CURRICULUM

**Kansas Course Codes** are used to identify courses that fulfill Qualified Admissions curriculum requirements. A complete list of courses is available at the Kansas Board of Regents website: [kansasregents.org/qualified\\_admissions](http://kansasregents.org/qualified_admissions). Additionally, your high school counselor has a list of courses at your high school that fulfill these requirements.
