

2017-2018 New Technical Certificate and AAS Program Approval Schedule - (Revised 6/26/2017)

New Technical Program Submission Timetable: The table below identifies the approval steps a new program proposal follows to be approved by KBOR. Submission of complete and finalized new program proposal packet is required prior to issuing a program alert. Information from the proposal packet is used to generate an “executive summary” of the new program which is then submitted to the respective committees for their review prior to the committee meetings. A representative of the college submitting the proposal will need to be available to participate via phone or in person to answer questions which may arise during discussions.
