ii. Tuition and Fee Payments

Statements are prepared as of the 15th each month and the due dates will appear on the statement and the online student account center. Due dates in August and January will correspond with the start of the fall and spring terms.

Students who early enroll in courses for a term will have their tuition/fees on the following monthly statements:

Term	Fall	Spring	Summer
Bill Date	Late July	December 15	May 15

Student account credit balances of less than \$5 will be charged a “dormant account fee” of the amount of the credit balance when the account has been inactive for a period of one year.

iii. Tuition Installment Payment Plan

Students may sign up for a four-installment payment plan during fall and spring terms and a two-month installment plan during the summer term. There will be a \$45/fall term, \$45/spring term and \$24/summer term administrative fee for utilizing the installment plan. For more information, contact [Cashiers and Student Accounts](#), 211 Anderson Hall, (785) 532-6317.

iv. Late Payment Fees

If the total balance due on each statement is not paid by the due date, there will be a Default Charge of 1.5% compounded monthly assessed on the amount billed but not paid.

If account balances are not paid as agreed or acceptable payment arrangements are not kept current, collection agency fees will be added to the account and the account will be referred to a collection agency. The collection agencies may report to one or more national credit bureaus.

v. Late Enrollment Fees

Initial enrollment on or after the first day of the term	\$ 65.00
Note: <ul style="list-style-type: none"> • Non-standard courses will be assessed the special handling fee if the initial enrollment is on or after the first day of the course. A special handling fee does not apply when adding courses to existing enrollments or to corrections of tuition assessments. • Not subject to refund. 	

vi. Deferred Payments

Students may be eligible for a deferment of tuition and fees when they have met certain guidelines as authorized by the Kansas Board of Regents. Deferments provide eligible students with additional time to pay tuition and fees.

Following are the authorized categories for the suppression of the Default Charge (duration of suppression based on category):

- Students who have all financial aid application requirements and whose awards have been made by the June packaging date but whose aid has not been disbursed. Students must pay any amount of tuition and fees over and above the pending financial aid award.
- Graduate students on assistantship who will be receiving a university paycheck (GA, GRA, GTA).
- Military veterans eligible to receive monthly benefits from the U.S. government.
- International students awaiting funds from their home country.

Policies

1.0 Payment of Tuition and Fees

Various options for the payment of tuition and fees are available on the Cashiers and Student Accounts [website](#).

2.0 Record and Enrollment Holds

Kansas State University uses enrollment holds to prompt specific action from students related to a narrow range of circumstances. Continued enrollment is both expected and encouraged for all students in compliance with university policy and practices. Enrollment holds prevent a student from enrolling in a course(s) or from altering enrollment. This policy applies to all undergraduate, graduate, veterinary medicine and non-degree students. Refer to the [University Handbook, Section F45](#) for additional information.

3.0 Eligibility for Resident Tuition

Residents. Guidelines for the determination of residency for tuition purposes are set forth in [Chapter II, Section B.6 Student Residency, Tuition/Fees and Payments](#) of the Kansas Board of Regents Policy Manual along with referenced Kansas Statutes and Administrative Regulations.

Armed Forces Residency Benefit. Current U.S. Armed Forces personnel (army, navy, marine corps, air force, coast guard, space force, Kansas army or air national guard or any branch of the military reserves of the United States), veterans eligible for educational benefits under federal law, and the spouses or dependent children of such veterans or armed forces personnel are entitled to pay tuition and fees at the resident rate (K.A.R. 88-3-8). Verifying documentation is required. In addition, a veteran who was permanently stationed in Kansas during service in the armed forces or had established residency in Kansas prior to service in the armed forces, as well as the veteran's spouse or dependent children, is entitled to pay tuition and fees at the resident rate.

Indigenous Peoples Benefit. The Kansas Legislature enacted a provision to allow certain students enrolling at a public institution of higher education in Kansas to have residency status for the purpose of tuition and fees. This current provision is in place from July 1, 2024, through June 30, 2025. Additional information is available on the Office of the Registrar [website](#).

The following nonresident students are eligible to pay resident tuition while continuing to be classified as nonresidents:

Unclassified employees and university support staff of universities under the Kansas Board of Regents working .40 FTE or more and graduate students working a combined .40 FTE (graduate assistant, graduate teaching assistant, graduate research assistant) during the periods below:

- For fall terms (employed September 1 through November 17)
- For spring terms (employed February 1 through April 17)
- For summer terms (employed the duration or employed from February 1 through April 17)
- For the term in which a graduate degree is awarded (Graduate School approval required if not employed full semester)

Employees of the federal government given adjunct appointments at Kansas State University or assigned to a ROTC unit at Kansas State University.

Dependents. Spouses and dependent children of full-time employees.

Exchange students from Missouri. Students eligible to pay resident fees at the University of Missouri who are enrolled in the following programs at Kansas State University: Bachelor of Architecture, Bachelor of Interior Architecture, Bachelor of Landscape Architecture, Master of Architecture, Master of Interior Architecture, Master of Landscape Architecture, and Master of Industrial Design.

This privilege is granted in exchange for resident fees for Kansas students who enroll in certain programs in Missouri (subject to limitation arbitrated by Kansas Board of Regents and Missouri Board of Education).

Kansas high school graduates. Persons who are not domiciliary residents of the State, who have graduated from a high school accredited by the State Board of Education within six months of enrollment, who were domiciliary residents of the State at the time of graduation from high school or within 12 months prior to graduation from high school, and who are entitled to admission at a State educational institution pursuant to K.S.A. 72-116, and amendments thereto.

Kansas high school graduates, who attended an accredited Kansas high school for at least three years and who are either formally seeking legal immigrant status, or who are not eligible for resident tuition at any public postsecondary institution located in another state, may be eligible for resident tuition (KSA 76-131a).

Recruited/transferred employee. Persons who have been recruited to Kansas for full-time employment or transferred at the request of the employer to a Kansas location within the last 12 months and their dependents. Self-employed persons and military personnel are not eligible for this resident tuition status.

Additional residency information is available on the Office of the Registrar [website](#).

4.0 Refund Policy

The following table applies to students who drop one or more courses or completely withdraw from a term. Refunds are calculated by counting calendar days, including Saturdays, Sundays and holidays. Percentages and days are illustrated for full-term/regular session courses. Refunds for courses of less than a full term (non-standard session courses) will be pro-rated based on the number of days in the course. Refer to the Non-Standard Drop/Refund Dates table for non-standard session course deadlines. Each course will be refunded separately from any other courses. If any refund deadline falls on a weekend or university holiday, the deadline will be extended to the next business day.

Time of Withdrawal	Refund Percentage
Through 21 st calendar day	100%
22 nd through 28 th calendar day	50%
After 28 th calendar day	No refund

Refunds will not be made until sufficient time has elapsed to ensure that fee payment checks have been honored by the bank, usually 15 business days after the student pays. Refunds generated entirely from dropped courses will not be issued during the first 20 days of course. Students who completely withdraw from a term lose access to all campus student services as of the date of withdrawal. Academic action taken after the last day of a term will not result in a refund.

Federal regulations may require students attending the university who receive federal forms of financial assistance under Title IV, and completely withdraw from the university, to be subject to a “return of Title IV aid” calculation which is different from the above refund percentages. Contact the Office of Student Financial Assistance at (785) 532-6420 or finaid@k-state.edu for details.

Military

For military students, in addition to university refund policy, as stated in the Policies Section 4.0 of the Comprehensive Fee Schedule, from the day when the class reaches 24% completion until the day it reaches 60% completion, one percent of the tuition assistance (TA) funds will be returned to the Department of Defense and the student’s personal account will be assessed the amount that is returned. Students who must report for active U.S. military duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official military documentation. Students who volunteer for military service will be subject to the university’s non-military refund policy. Room and board charges will be prorated to the extent that services have been provided.

K-State Online

Some professional degree programs may have special refund policies that will be published in the program announcement. Refund policies for non-credit programs will be stated in the published announcement. A full refund will be made if the program is cancelled.

5.0 Employee Tuition Rates

Employees, as described in Policy Section 3.0, are assessed resident tuition. The [Tuition Assistance Program](#) is available to full-time (at least 0.9 FTE), benefits eligible employees.

6.0 Dependent Tuition Rates

Dependents or spouses of eligible employees at Kansas State University may be eligible for the [K-State Dependent/Spouse Grant](#).

7.0 Graduate Teaching Assistant Tuition Waivers

Tuition responsibilities for graduate students depend on the nature of the appointments. Students holding a 0.4 FTE appointments as a GRA/GTA/GA, or any combination of these, are assessed tuition at the resident rates according to an established schedule.

Graduate students appointed as GTAs are eligible for tuition waivers. Graduate students appointed on full-time GTA appointments (0.5 FTE) receive tuition waivers for a maximum of 10 hours in the fall and spring semesters and 6 hours in the summer semester. Hours taken during January intersession are counted in the total number of hours for the tuition waiver paid in the spring semester. Hours taken during May and August intersessions are counted in the total number of hours for the tuition waiver paid in the summer semester. GTAs

appointed less than 0.5 FTE are eligible to receive partial tuition waivers based on the proportion of the teaching appointments.

Additional information is available in [Chapter 1, Section G](#) of the Graduate Handbook.

8.0 Estimated Cost of Attendance

In meeting the university's consumer information disclosure requirements, students are encouraged to view published cost of attendance estimates by campus location or online delivery on the Student Financial Assistance [website](#) per the FAFSA Simplification Act. The published information includes estimates for all COA elements such as tuition/fees, food/housing, books/course materials/supplies/equipment, transportation, and miscellaneous.

9.0 Midwest Student Exchange

Midwest Student Exchange is for residents of Indiana, Minnesota, Nebraska, North Dakota, Ohio or Wisconsin. It was awarded to select undergraduate students premised on academic merit prior to entering K-State as a new freshman or new transfer student. Eligible students pay no more than 150% of in-state tuition. The award is renewable provided the recipient meets the continuing eligibility requirements as outlined with the initial award notification. K-State is no longer awarding the Midwest Student Exchange but will honor all commitments made prior to the 2023-2024 academic year.

10.0 Founders Nonresident Merit Award

The Founders Nonresident Merit Award is for residents of Arkansas, California, Colorado, Illinois, Michigan, Oklahoma or Texas. It is awarded to select undergraduate students premised on academic merit prior to entering K-State as a new freshman or new transfer student. Eligible students pay no more than 150% of in-state tuition. The award is renewable provided the recipient meets the continuing eligibility requirements as outlined with the initial award notification. K-State is no longer awarding the Founders Nonresident Merit Award but will honor all commitments made prior to the 2023-2024 academic year.

11.0 Missouri Match Tuition Program

The [Missouri Match Tuition Award](#) eliminates the difference between our out-of-state and in-state tuition rates for the Manhattan and Salina campuses. Degree-seeking Missouri residents planning to attend K-State who enroll in at least 12 credit hours for the fall and spring semesters may be eligible for in-state tuition.

12.0 Missouri Reciprocal Program

The Missouri Reciprocal award is for residents of Missouri who have been admitted into one of the following College of Architecture, Planning & Design academic programs: Architecture, Interior Architecture, Industrial Design or Landscape Architecture. It is awarded to select undergraduate students premised on academic merit and financial need by the College of Architecture, Planning & Design. Availability for this award may be limited. Eligible students pay the Kansas in-state resident tuition rate. The award is renewable provided the recipient continues to make satisfactory academic progress within one of the designated College of Architecture, Planning & Design programs of study.

13.0 Wildcat Nonresident Award

The Wildcat Nonresident Award eliminates a portion of the difference between the out-of-state and in-state tuition rates for the Manhattan and Salina campuses. Eligible, degree-seeking, non-residents enrolled full-time (at least 12 credit hours) for fall and spring semesters are eligible for a reduction in the non-resident portion of tuition.

(b) Student Health Services

General Medical Provider Office Visit	\$50.00
--	----------------

WSU students will pay no more than \$25.00 for the general medical provider office visit. Paid student fees contribute to the reduction of the office visit charge, after insurance is billed or for uninsured patients.

Notes:

- *Patients are financially responsible for additional service items not covered by the general medical provider office visit, which includes but is not limited to: charges for physical exams, specialists, diagnostic testing (laboratory and radiology), medication and procedures.*
- *Pricing for additional services varies based on the complexity of care at time of the visit*
- *The student health fee is NOT a form of health insurance. Student Health will submit claims to in-network and out-of-network insurance companies. Students are responsible for any amounts not covered by insurance, including unmet deductibles. Other payment options available, including applying charges to your WSU student account.*
- *No patient is refused treatment based on their insurance status or ability to pay.*

Policy Section

(Each University may compile applicable policy information within this section or provide links to a policy website)

1.0 Payment of Tuition and Fees

Auditing Course Fees

Tuition and fees per credit hour for courses and workshops audited are the same as for courses taken for

credit.

Unpaid Fees

Students who leave Wichita State University without meeting financial obligations to the University will have their records impounded by the Registrar and their account may be sent to a collection agency resulting in additional fees. Their transcripts or diplomas may not be issued, with limited exceptions consistent with state and federal laws, unless their accounts are cleared, and they may not enroll for a new term unless all fees are paid.

Students who are eligible to graduate but still have unpaid tuition balances will not receive their diploma until those fees are paid.

Drop/Add Fee Policy

Students who drop credits in the same term and do not add credits will be charged the proportional percentage based on the week they drop the credits.

Students who drop and add credits in the same term will not be required to pay additional tuition/fees if the following conditions are met:

1. The drop and add occurs in one transaction; and
2. There are an equal number of credit hours added as are being dropped and the credit hours have an equivalent charge.

A course that has been added in accordance with parts 1 and 2, and is subsequently dropped, will retain the same refund percentage as the original course dropped. Students who drop the added course that met the above conditions will have an adjustment made to their account. (Example: A student drops course A and adds course B. Course A would have had a 0 percent refund; however, because conditions have been met, student receives a 100 percent refund for course A. Student then decides to drop course B. An adjustment is made to the account reversing the 100 percent refund received for course A.)

Yellow Ribbon Program

WSU has joined the Yellow Ribbon Program, an initiative of the Department of Veteran Affairs through which WSU and the VA share in the cost of the difference between in-state and out-of-state tuition. This program will make it more affordable for a larger number of out-of-state students with military backgrounds to attend WSU.

Tuition and Fees Waivers/Exemptions/Discounts

For detailed information on waivers please visit the Tuition and Fees waivers/Exemptions/Discounts website: <https://www.wichita.edu/waivers>

2.0 Record and Enrollment Holds

When necessary, the University may withhold a student's official transcript and/or permission to re-enroll for the nonpayment of tuition and fees, loans, other charges and for failure to return University property. Students may be required to pay collection agency and attorney fees and all other charges necessary for the collection, as allowed by law, of any amount not paid.

3.0 Eligibility for Resident Tuition

Board of Appeals Residency Status

Two faculty members, a department Director, a representative of the Office of Financial Operations & Business

Technology, and a representative of the General Counsel’s Office constitute the Board of Appeals for students who believe their residency status has been incorrectly assessed. The decision of this committee is final. Forms to initiate this process may be obtained in the Registrar’s Office, 102 Jardine Hall.

4.0 Refund Policy – Complete and Partial Withdrawals

All deadlines are expressed in terms of businesses days (Monday through Friday) – the specified number of business days beginning with the first business day of each Part of Term (POT). If a class starts on a Saturday or Sunday, the first business day is the following Monday (unless that is a holiday). A business day is any day that most university offices are open for business. For refund and RSTS code purposes, it does not matter if the business day is one when classes are in session or not. For Withdrawal with a W purposes, only business days when classes ARE in session are counted.

To withdraw completely from the University, students must process withdrawals for all classes in which they are enrolled. Students are eligible for refunds as shown below:

Number of Weeks of Course	Number of Business Days to Receive 100%
16-15	10
14	10
13	8
12	8
11	8
10	5
9	5
8	5
7 1/2	5
7	4
6	4
5	4
4	3
3	1

Less than 1 week	1
ACN (Accelerated Nursing)	
fall & spring	10
summer	5
BG (Badge Full Term)	November (TBD)

Fall Spring	April (TBD)
EMBA (Executive MBA)	5

Guiding Principles:

- In short-term classes, students will have the first class period to determine if the class is suited for them. Students who register late or fail to attend the first class period in short term classes will not be eligible for 100 percent refunds according to the policy.
- The *first class day* refers to the first day of the part of term as defined by the department and Registrar’s Office; thereafter, the *day* refers to the business day. The length of the *part-of-term* determines the refund, not the start and end date of the course. When a course’s part-of-term length falls between two of the above categories, then the shorter one is used. (Example: If course A part-of-term begins Monday and the actual course meets on Thursday, the refund business day begins with Monday, not Thursday. For an exception to this policy, student must complete the Petition for Exception to Tuition Refund Policy for Dropping Courses form.)
- If a short-term class begins on Friday night, Saturday or Sunday, the student will have until the end of the first business day to drop the course. In order to receive a 100 percent refund for the class, the student must provide documentation that he/she did not attend more than four hours of the class.
- No one other than the Financial Operations and Business Technology Office or the Tuition Refund Board of Appeals is authorized to determine the amount of tuition refund a student will receive.

Exceptions to the Refund Policy:

- Students who, because of extenuating circumstances, seek a higher refund than is available by policy, must petition the Tuition Refund Board of Appeals. Petition forms are available at the myWSU myFinance tab or the Office of Financial Operations and Business Technology, 201 Jardine Hall. The petition must be filed with the appropriate documentation. A Petition for Tuition Refund beyond the policy must be filed at the Financial Operations and Business Technology Office within the semester the course was taken.
- Students who may have received approval from the University Exceptions Committee for a late withdrawal from a previous semester are not eligible by policy for a tuition refund. These are separate issues and decisions. Medical or military approvals will receive a 100% tuition refund.

Military Refund Policy:

Students serving in the National Guard or Reserves who are called to active duty during an academic term are entitled to receive a full refund of tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who are classified as civilians but choose to assist in non-mandatory U.S. military related efforts, are not covered by this exception and will be subject to the university’s nonmilitary refund policy. Room and board charges will be prorated to the extent that services have been provided.

The University will return any unearned tuition assistance (TA) funds by using the standard formula for determining the amount of TA earned by the institution. This is calculated on a percentage basis by dividing the number of days a student completes, based on the last date of attendance, by the total number of days in the course. This calculation, if less than the 60% completion rate, determines how much TA the student has earned and for how much the military branch may be invoiced. Should there be any remaining TA funds prior to the 60% period of a course, these funds will be reimbursed directly to the military branch from which the funds were provided, not to the student.

Policy Section

1.0 Payment of Tuition and Fees

Auditing, Visiting, or Non-Credit Course Fees

Same charge as regular enrollment.

Tuition Policy for Post Baccalaureate Students

Post-baccalaureate students seeking graduate degrees pay graduate tuition rates. Post-baccalaureate students who are not in a degree seeking program (licensure or non-degree seeking) may apply through the graduate application process for consideration of undergraduate tuition for courses numbered 100-499. Courses numbered 500 and above will be charged at the graduate rates. All courses are charged by the credit hour regardless of the number of enrolled hours.

Tuition Policy for Undergraduate Students Receiving Graduate Credit

An undergraduate student may apply a maximum of 12 hours of credit earned in courses numbered 500-799 to a degree program. Approval of the graduate dean prior to enrollment is required to receive graduate credit for those courses. The graduate faculty of each department determines whether graduate courses previously taken are appropriate for a given graduate degree program.

Fee Waiver for Persons Age 60 or Over

Residents of Kansas who are 60 years of age or over on the first day of the term may take courses at the University without paying the regular fee. Some courses may have special fees. The special fees will be paid if the special fees cover the direct cost of supplies and materials. A course taken free cannot be counted toward a degree. The person will be considered an auditor in the class and admission to the class will be by permission of the instructor and only if space is available. Interested individuals should consult with the Registrar or the Director of Admissions.

Kansas Teacher of the Year Tuition Waiver

Tuition will be waived for up to nine hours annually for any past or present Kansas Teacher of the Year. To be eligible, a person must be a past or present recipient of the award under the program administered by the Kansas Department of Education and be employed as a teacher in an educational institution accredited by the Kansas Department of Education.

2.0 Record and Enrollment Holds

When necessary, the University may withhold a student's official transcript and/or permission to re-enroll for the nonpayment of tuition and fees, loans, and other charges, and for failure to return University property. Students may be required to pay collection agency and attorney fees and all other charges necessary for the collection, as allowed by law, of any amount not paid.

3.0 Eligibility for Resident Tuition

The registrar of each institution governed by the Kansas Board of Regents shall determine the residence status for fee purposes of each student who enrolls in the institution.

4.0 Refund Policy

Students will receive a 100% refund of tuition and fees for classes dropped through the 10th day of class. There is no refund for classes that are dropped on the 11th day of class through the end of the semester. For short-term classes taught in less than the regular semester, the 100% refund period will follow the policy on dropping a class. The official drop period shall be determined by the Registrar's Office. For detailed information regarding refund dates for the term and/or part-of-term classes, you may contact Cashiering Services. Refunds of \$1 or less may not be refunded. If enrolled for a subsequent semester, the amount may be applied.

Military Refund Policy

Students serving in the Military Services who are called to active duty during an academic term are entitled to receive a full refund for tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the University's non-military refund policy. Room and board charges will be prorated to the extent that services have been provided.

Maryland Refund Policy

For students residing in Maryland, ESU shall provide a refund based upon the annotated code for the state of Maryland.

5.0 Employee Tuition Rates

University employees who are in a benefits-eligible position, employed at least 50% time, and enrolled in courses will receive a waiver of the university fees and/or area fees for whatever number of hours are taken. Employees will be assessed tuition at the per credit hour rate up to the full-time campus tuition rate. Student must complete and submit employee fee waiver form. Eligible employees are also able to apply for tuition assistance up to 6 hours per semester.

6.0 Tuition Waiver Program for Dependents and Spouses of Employees

The Spouse and Dependent Tuition Waiver Program is available for spouses and dependent children of eligible employees to receive financial assistance for a course or courses taken at Emporia State University while seeking an undergraduate or graduate degree. This program will provide tuition assistance only. All participants are required to pay all applicable fees. The application form must be completed and submitted to the Office of Human Resources.

7.0 Graduate Assistant Tuition Waivers

Full-Time Graduate Assistants, Teaching and Research

Applicable tuition up to 12 credit hours is waived for graduate teaching, graduate research, and graduate assistants if working 20 hours per week. Students will be responsible for university fees, area fees, technology fees, and course fees. If a student cancels the graduate assistantship, the student must repay the tuition waiver based upon the number of days remaining in the semester.

Split-Position Graduate Assistants, Teaching and Research

A three-credit-hour tuition course waiver will be applicable for split graduate teaching, graduate research, and graduate assistants if working 10 hours per week. Students will be responsible for university fees, area fees, technology fees, course fees, and resident tuition beyond the three hours waived. If a student cancels the graduate assistantship, the student must repay the tuition waiver based upon the number of days remaining in the semester.

8.0 Midwest Student Exchange

The Midwest Student Exchange Program (MSEP) includes Illinois, Indiana, Kansas, Minnesota, Missouri, Nebraska, North Dakota, Ohio, and Wisconsin. Students must declare a major to be eligible. Graduate students that are residents of noted states are eligible for 150% of Kansas resident tuition (NEARR rate). For eligibility requirements please see MSEP guidelines at <https://www.emporia.edu/graduate-school/admissions-costs/financial-assistance/tuition-reduction-programs>.

9.0 Hornet Nation Waiver

The Hornet Nation Waiver includes Missouri and Oklahoma for the areas that are not included in Corky Plus and the states of Colorado, Nebraska and Texas. Residents of noted states are eligible for the 150% of Kansas resident tuition which provides the same benefit as the NEAR rate.

10.0 University Specific Policies

10.1 Emporia State University-Kansas City

Public educational entities governed/coordinated by the Kansas Board of Regents or under the auspices of the State Department of Education, may be allowed to use the Emporia State University-Kansas City facility on a space available basis for a negotiated fee. The revenue will be remitted from this collection to ESU.

10.2 Contracts and Compensatory Charges

This schedule does not limit the charges which may be collected under arrangements with other governmental or private agencies except that such arrangements may not provide for lesser charges. Tuition or other charges to more nearly cover the actual cost of instruction are specifically authorized. No tuition is charged to students enrolled in programs for which the entire cost is financed by governmental or private agencies. Students taking such courses on campus must pay all required university fees.

Gorilla Advantage Tuition Program-Undergraduate and Graduate Students

The Gorilla Advantage Tuition Program makes it possible for eligible undergraduate and graduate non-resident students from 32 states to pay resident tuition and fees.

To be eligible as an undergraduate, a student must be a U.S. citizen and either permanently reside in (for at least 12 consecutive months) or graduate from a high school located in one of the eligible states and enroll at PSU within one semester after high school graduation.

A graduate student may qualify if he/she is a U.S citizen and meet the graduate admission requirements for his/her selected academic major.

Legacy Tuition Program

The Legacy Tuition Program makes it possible for eligible non-resident students to pay 150% of resident tuition plus fees. An undergraduate student is eligible if all of the following criteria apply:

- Enrolling as a full-time student
- Meets criteria for regular admission as a freshman or transfer
- Has a parent or grandparent who graduated from PSU with a bachelors, masters or post-masters degree

The duration of the award is up to eight semesters of undergraduate study. The length of the award varies dependent upon transfer hours earned prior to the student's first enrollment at Pittsburg State University. Renewal beyond the first year requires that a student maintain a 2.5 cumulative GPA and a 2.5 on all work completed at Pittsburg State.
