

Summary

Board of Regents policy requires consideration of academic calendars proposed by the Regents universities for any deviation for reasons other than natural disaster or national emergencies. This month, K-State is seeking to modify its Spring 2021 schedule. As a reminder, K-State will not have a Spring Break in 2021. Since this will cause students to attend classes for several weeks without a break, K-State proposes to add Friday, April 16, 2021 as a wellness day. Provided it is approved, no classes will be held on this day. More detailed information can be found in the supporting documentation. Board staff recommends approval.
