The State of Kansas has an agreement with three Schools of Optometry for Kansas students to receive the Kansas Optometry Service Scholarship:

1. Kansas participates in a reciprocal agreement with the State of Missouri by which 12 Kansas residents, including three first-time entering students, may enroll in the Missouri School of Optometry, University of Missouri - St. Louis and pay resident fees;
2. The Kansas contract with the Southern College of Optometry, Memphis, Tennessee, 12 seats including three first-time entering students; or
3. The School of Optometry at Northeastern State University, Tahlequah, Oklahoma, 8 seats including two first-time entering students.

Available Optometry seats are also dependent upon funding. At Southern College of Optometry, Memphis, TN, and School of Optometry at Northeastern State University, Tahlequah, OK, the contract provides a reduced tuition amount for selected Kansas residents.

Participants fulfill their obligation to the State of Kansas by providing one year of service as an optometrist anywhere in Kansas for each year of scholarship. If the service is not provided then the scholarship is converted to a loan of the principal plus an interest rate which is equivalent to the interest rate applicable to loans made under the federal PLUS program at the time such person first entered into an agreement plus five percentage points. The interest rate for 2019-20 is 12.08 percent. Specify which school(s) you are applying to for the scholarship. Selection is based on academic considerations and Kansas residency. Funding for all scholarships is dependent upon available funding.

Students renewing their scholarship get first consideration for available money. New scholarships are awarded if money is available.

Each school selects the students who may participate in the program. The Board of Regents must have a scholarship application on file before the scholarship is offered to the selected students. Scholarships are awarded if money is available. Schools also identify alternate students. You must let the school know that you are applying for the Kansas scholarship. The point of contact is identified below.

University of Missouri, St Louis, School of Optometry, Nicholas Palisch, Director of Student Affairs, One University Blvd, St Louis, MO 63121-4499, 314.516.5139;
