Board Academic Affairs Standing Committee

Four Regents serve on the Board Academic Affairs Standing Committee (BAASC), established in 2002. The Regents are appointed annually by the Chair and approved by the Board. BAASC meets by conference call approximately two weeks prior to each Board meeting. The Committee also meets in person the morning of the first day of the monthly Board meeting. Membership includes:

- Shelly Kiblinger, Chair
- Ann Brandau-Murguia
- Helen Van Etten
- Allen Schmidt

**Kansas Board of Regents
Board Academic Affairs Standing Committee**

**MINUTES
Tuesday, March 30, 2021**

The March 30, 2021 meeting of the Board Academic Affairs Standing Committee (BAASC) of the Kansas Board of Regents was called to order by Regent Kiblinger at 11:00 a.m. The meeting was held by Zoom.

In Attendance:

Members:	Regent Kiblinger, Chair	Regent Brandau-Murguia	Regent Van Etten
Staff:	Daniel Archer Amy Robinson Cindy Farrier Natalie Yoza	Karla Wiscombe Sam Christy-Dangermond April Henry	Tara Lebar Scott Smathers Marti Leisinger
Others:	Aron Potter, Coffeyville CC Bronwyn Fees, K-State Craig Harms, K-State Erin Shaw, Highland CC Heather Morgan, KACCT Jean Redeker, KU Kevin Roberts, K-State Kim Morse, Washburn Melinda Roelfs, PSU Mickey McCloud, JCCC Robert Klein, KUMC Shirley Lefever, WSU Sharon Kibbe, Highland CC	Barbara Anderson, K-State Chuck Taber, K-State David Cordle, ESU Gayle Doll, K-State Jaicey Gillum, Indy CC Jill Arensdorf, FHSU Jerry Pope, KCKCC Kim Zant, Cloud County CC Monette Depew, Pratt CC Matt Melvin, KU Rija Khan, WSU Shelly Gehrke, ESU Taylor Crawshaw, Indy CC	Brian Niehoff, K-State Cindy Hoss, Hutchinson CC Elaine Simmons, Barton County CC Howard Smith, PSU Jane Holwerda, Dodge City CC John Colombo, KU Kaye Monk-Morgan, WSU Linnea GlenMaye, ESU Lori Winningham, Butler CC Michelle Schoon, Cowley CC Sarah Robb, Neosho County CC LesLee Taylor, KUMC

Regent Kiblinger welcomed everyone. Roll call was taken for members and presenters.

Approval of Minutes

Regent Van Etten moved to approve the March 17, 2021 meeting minutes, and Regent Murguia seconded the motion. With no corrections, the motion passed.

Consent Item

Robert Klein presented the KUMC request to pursue accreditation for their Master of Science in Athletic Training. Dr. LesLee Taylor, Director of Athletic Training, provided the rationale for pursuing accreditation for the program. Athletic Training is a new program approved by the Board in 2018, and they are welcoming their first group of students in June 2021. Every successful health care professional program needs to provide the proper credentialing, so their graduates are able to work as practicing clinicians. As a result, KUMC will need to seek and be granted accreditation from the Commission on Accreditation on Athletic Training Education (CAATE).

Regent Kiblinger asked how many students they have in the program. LesLee responded they have four ready to

start in June. She noted if approved, they will submit a self-study no later than July 1, 2022, with a 2022-23 site visit goal of October or November 2022 so CAATE can make a decision before students graduate in May 2023. Regent Van Etten motioned to place the request to pursue accreditation for the MS in Athletic Training on the Board's April consent agenda, and Regent Branda-Murguia seconded. The motion passed unanimously.

Program Review Report

Sam Christy-Dangermond presented the AY2020 Program Review Report. She noted an error on KU data from page 18 of the agenda, clarifying that the MFA in Visual Art met the minimum number of graduates and majors. Sam shared a PowerPoint which will be emailed after the meeting. State universities are required to review programs at least once every eight years to ensure program quality. Sam discussed the background of the Board policy, Program Review goals, the process, and criteria used to evaluate programs, as outlined in provided materials. Where this Program Review overlaps with Low Enrollment Program Reports, the programs included in the reports are not included in the body of the Program Review but are summarized in a table on page 23 for reference. For each program reviewed under this Program Review, universities indicated one of four recommendations: 1) Continue, 2) Additional Review, 3) Enhance the Program, or 4) Discontinue. Sam noted that programs can be kept on additional review status for up to four years and some institutions reported on programs identified for additional review during the previous four years. Sam stated many programs reviewed last year did not meet graduate and/or major minima and discussed why an institution might recommend continuing the program. These reasons are outlined for each program. Reasons might include being an academic support program, a research support program, and some may be newer programs initiated in the past five years which are still building enrollment. Sam concluded her presentation by going over institutional summaries for each of the universities.

- For AY20, ESU reviewed 14 programs; 10 will be continued, 3 will be additionally reviewed next year, and 1 has been discontinued. For AY19, ESU identified 1 program for additional review and will be assessed during Spring 21 and added to the AY21 Program Review.
- For AY20, FHSU reviewed 8 programs; all 8 will be continued. For AY19, FHSU identified 5 programs for additional review; 4 will be additionally reviewed in AY21, and 1 is recommended for continuation.
- For AY20, K-State reviewed 44 programs; 40 will be continued, and 4 are recommended for enhancement. For AY19, K-State identified 5 programs for additional review; 4 are recommended for continuation, and 1 is recommended for additional review for AY21.
- For AY20, PSU reviewed 9 programs; 7 will be continued, 1 was recommended for additional review, and 1 was identified for enhancement. For AY19, PSU identified 1 program for additional review, which they are now recommending for continuation based on exceeding minima.
- For AY20, KU reviewed 44 programs; 43 will be continued, and 1 is recommended for discontinuation. In AY19, KU did not identify any programs for additional review.
- For AY20, KUMC reviewed 5 programs; 4 will be continued, and 1 is recommended for additional review. In AY19, KUMC identified 2 programs for additional review and recommended both for continuation.
- For AY20, WSU reviewed 15 programs, and all are recommended for continuation. WSU did not identify programs for additional review the previous year.

Universities reviewed a total of 139 programs. Of those, 107 met minima, and 32 did not. Out of those not meeting minima, 5 programs were recommended for additional review, 5 for enhancement, and 2 for discontinuation. The remaining 20 were recommended to continue. Sam clarified for Regent Van Etten, each program identified for additional review and enhancements will be looked at next year. No other questions were presented.

Regent Van Etten motioned to place the Program Review Report on the Board's discussion agenda for April, and Regent Brandau-Murguia seconded. The motion passed unanimously.

Open Education Resource (OER) Update

Tara Lebar presented an Open Education Resource (OER) Update. Open Education Resources are teaching, learning, and research resources that are free of cost and access barriers, and which also carry legal permissions for open use. Generally, this permission is granted by the use of an open license which allow anyone to use, adapt freely, and share resources anytime and anywhere. These resources when used as a basis of the course curriculum in our institutions have the ability to dramatically reduce or remove the cost of some textbooks. For the last several years, an OER Steering Committee has been looking at ways to increase OER access and information across the KBOR system. Last October, we joined the Open Education Network (OEN) as a system of schools, and since have trained over 50 faculty members systemwide to lead faculty workshops. Out of the 50 trained faculty, 10 are a core team of leaders who have kicked off a series of five OER faculty workshops this spring. Registration for these workshops has filled quickly, and Tara noted there are over 150 faculty signed up. These workshops started on March 12 and will conclude on April 20. Each workshop has around 30 participants who will complete a 90-minute workshop to learn about what OER is and then be invited to engage in a text from the Open Text Library (OTL). Faculty who choose to write and submit a review of an OTL book will be eligible to receive a \$150 stipend from KBOR. The faculty workshop model has been used for several years within the OEN. Data shows that out of faculty who attend workshops, approximately 2/3 will choose to engage with a text and submit a review, and out of those, 2/3 will choose to adopt OER materials for their course. Using this data, we would hope to see OER text adoption from approximately 60 faculty members from this spring alone. The OER Steering Committee plans to do another round of workshops in Fall 2021 and again in Spring 2022 as funds allow. This workshop model is also available for replication at any KBOR institution, and institutions interested in more information can contact Tara. Tara will help set up the registration through our OEN dashboard, faculty will be allowed to access information and given the opportunity to write a review from the OTL, and a workshop trainer will be provided. Tara noted that if a school has funding for the stipend program, KBOR can also help manage this, but the workshop model works well without the stipend.

In addition to the faculty workshops, the OER Steering Committee is starting to look at additional projects. They are planning a Virtual OER Conference in early 2022. They also have a team reviewing baseline data from their February survey. We soon should have a first look at what they hope will be annual data highlighting and measuring the OER initiatives across KBOR institutions. The data will eventually show the impact from workshops, training, conferences, and possibly even quantify savings for students. Tara noted the excitement and momentum are building for OER initiatives across KBOR institutions.

Regent Kiblinger asked if there were faculty in our institutions involved in the authorship of OER materials. Tara responded, we do, but they are hard to identify. Tara noted their initial faculty workshop presenter authored a communication text, and the MHEC has a grant program for faculty in STEM fields who want to author text. Tara will send the MHEC grant program information out to everyone. The Committee discussed the costs of textbooks and how access can be a student barrier. Tara stated that K-State had a one-day fundraiser where they raised over \$500,000 for OER initiatives on their campus. Tara will provide additional updates as new information and initiatives arise.

Adjournment

The next BAASC meeting is April 14, 2021, at 10:15 a.m.

Regent Van Etten motioned to adjourn the meeting, and Regent Brandau-Murguia seconded. With no further discussion, the meeting adjourned at 11:34 a.m.

2020 Accreditation Report

Board policy states “The Vice President for Academic Affairs shall provide the Board with a report on the accreditation status of the Regents universities and their accredited programs. The report shall include information on a) whether the institution or the program is accredited for the full term of accreditation and b) whether the institution or the program has received full accreditation status or is on probationary status” (Ch. II.A.7.ii.). Reports from each state university are attached. Staff recommends acceptance of the report.
April 14, 2021

Background

Accreditation is a process certifying institutions and programs have met a specified set of standards. There are two broad types of accreditation in postsecondary education: institutional accreditation and the specialized accreditation of academic units or programs.

The accreditation of postsecondary institutions occurs through a system of accrediting bodies approved by the U.S. Department of Education. In Kansas and eighteen other states, postsecondary institutions may achieve institutional accreditation through the Higher Learning Commission.

The specialized accreditation of academic units or programs occurs through a system of accrediting organizations based in academic disciplines. In a few instances, state regulatory agencies accredit academic programs. For example, both the Kansas State Board of Education and the Council for the Accreditation of Educator Preparation accredit teacher education programs. Program accreditation is most prevalent in professional programs, such as architecture, engineering, nursing, law, and teacher education.

2020 Accreditation Report

The Board of Regents receives a report on the accreditation status of the state universities and various programs within each that have specialized accreditation once every four years. These reports, which are attached, show each university is fully accredited by the Higher Learning Commission. In addition, they list the accreditation status of individual programs at each institution. Though program accreditors often award accreditation at a higher level, we list each program by CIP to be consistent with the Program Review Report. For example, the Association to Advance Collegiate Schools of Business (AACSB) accredits schools of business. If an institution’s school of business is awarded AACSB accreditation, each program residing in the school is covered by this accreditation. However, rather than simply indicate “School of Business” on the list, each program, such as accounting, management, and marketing, is listed separately for distinction. Further, we count each separate CIP and award level as a program here, consistent with Program Review.

In summary,

- Emporia State University reports 41 programs accredited by their respective specialized accrediting bodies. Of the 41 accredited programs, 23 are in The Teachers College and ten are in the School of Business.
- Fort Hays State University reports 21 programs accredited or recognized by specialized accrediting bodies. Of the 21 programs, 9 are in the College of Health and Behavioral Sciences. The University’s Information Networking and Telecommunications program is designated as a National Center of Excellence in Cyber Defense Education.
- Kansas State University reports 64 programs accredited by licensed, approved, certified, or registered specialized bodies. Eleven programs from either the College of Engineering or the College of Technology and Aviation have full accreditation from ABET, Inc., formerly known as the Accreditation

Board for Engineering and Technology. Additionally, eleven programs within the College of Arts and Sciences are fully accredited by various organizations, and the College of Veterinarian Medicine is accredited by four different entities.

- Pittsburg State University reports 38 programs accredited by specialized accrediting agencies. Of the 38, eight are in the College of Education. Seven programs, all from the College of Technology, have full accreditation from ABET, Inc.
- The University of Kansas reports 73 programs accredited by specialized accrediting agencies. Fourteen programs in the School of Business are fully accredited by AACSB International. The School of Engineering and the College of Liberal Arts and Sciences house eleven programs fully accredited by ABET, Inc.
- The University of Kansas Medical Center reports 19 programs accredited or approved by specialized accrediting agencies. In addition, 61 residency and fellowship programs are appropriately accredited or approved on the Kansas City campus and 13 through the Wichita campus.
- Wichita State University reports 60 programs accredited by specialized accrediting agencies. Of the 60, 15 are in the School of Business and are fully accredited by AACSB International. Another ten in the School of Engineering are fully accredited by ABET, Inc.

A listing of the accrediting agencies and their acronyms is included in **Appendix A** of this report.

Staff Recommendation

Staff recommends acceptance of this report.

¹ ABAI delayed on-site review until Fall 2020. Report expected by March 1, 2021; program remains fully accredited pending report.

² Clinical Psychology track is accredited by APA.

³ Due to the pandemic, all APA accreditation site visits scheduled to occur in-person during 2020 were postponed. The site visit is now scheduled for 2021; the program remains accredited and in good standing throughout the delay.

⁴ In 2020 the ABA moved from a 7-year cycle to a 10-year cycle.

⁵ Individual residencies are accredited, not the program overall, and the period of accreditation varies for each residency. Residencies in pharmacy, health-system pharmacy administration, and pharmacy in oncology at KUMC are approved for six years, to 2021. The community-based pharmacy residencies in Kansas City, KS, and Wichita are accredited for eight years, to 2026, and for three years, to 2023, respectively. The Ambulatory Care pharmacy residency program in Wichita is accredited for eight years, until 2028.

⁶ Student Learning Assessment report due September 2022 as part of the HLC Open Pathway process.

University of Kansas School of Medicine: Continued Accreditation; Approximate 10-Year Site Visit: January 1, 2027

Each of the programs listed below has continued accreditation status, unless otherwise specified.

Residency Programs (Kansas City)

Anesthesiology
Dermatology
Emergency Medicine
Family Medicine
General Surgery
Internal Medicine
Neurological Surgery
Neurology
Obstetrics and Gynecology
Ophthalmology
Orthopedic Surgery Otolaryngology
Pathology - Anatomic & Clinical
Pediatrics
Physical Medicine and
Rehabilitation Plastic Surgery -
Integrated Psychiatry
Radiation Oncology
Radiology - Diagnostic
Thoracic Surgery
Urology

Fellowship Programs (Kansas City)

Addiction Psychiatry
Advanced Heart Failure and Transplant
Cardiology
(initial accred. 2020)
Allergy and Immunology
Cardiovascular Disease
Child and Adolescent Psychiatry
Clinical Cardiac Electrophysiology
Clinical Informatics (initial accred. 2019)
Clinical Neurophysiology
Congenital Cardiac Surgery (initial accred. 2018)
Critical Care Anesthesiology (initial accred. 2018)
Critical Care Medicine (initial accred. 2021)
Cytopathology
Endocrinology, Diabetes and Metabolism
Epilepsy (initial accred. 2018)
Gastroenterology
Geriatric Medicine
Gynecologic Oncology (initial accred. 2018)
Hematology and Medical Oncology
Hematopathology
Hospice and Palliative Medicine
Infectious Disease

Fellowship Programs (Kansas City)

Interventional Cardiology
Interventional Radiology - Independent
(initial accred. 2020)
Interventional Radiology - Integrated
(initial accred. 2016)
Maternal-Fetal Medicine (initial accred. 2019)
Nephrology - Clinical Track

¹ HLC Accreditation continuation confirmed January 30, 2017. Reaffirmation Review Report findings: all criteria met; no interim monitoring recommended. Assurance Argument (4-year update) due June of 2021. Next visit 2026-2027 AY.

² Additional Location Confirmation Report received on March 6, 2019 providing affirmation of WSU Old Town and WSU South as additional locations for service delivery.

³ Affirmed February 11, 2020.

⁴ Site visit hosted October 3-4, 2019.

⁵ Associate Membership may be granted to baccalaureate and/or graduate degree-granting institutions, community colleges, and non-degree-granting institutions applying for the first time that meet all curricular standards and all other applicable standards of the Association, and which are developing in areas related to purposes or operations. Accreditation with Associate Membership is valid for up to five years. At the end of this period, such institutions will be required to satisfy all criteria for Membership in the Association.

⁶ Accreditation confirmed May 6, 2019.

⁷ Site visit November 20, 2020.

⁸ Focused Site Visit Hosted October 7-8, 2019.

Appendix A

Programmatic Accrediting Agencies

AGENCY ACRONYM	AGENCY FULL NAME
AAALAC	Association for Assessment and Accreditation for Lab Animal Care
AABI	Aviation Accreditation Board International
AACSB International	AACSB International: The Association to Advance Collegiate Schools of Business
AALS	Association of American Law Schools
AAMC LCME	Liaison Committee on Medical Education
AATA	American Art Therapy Association
AAVLD	American Association of Veterinary Laboratory Diagnostics
ABA	American Bar Association
ABAI	Association for Behavior Analysis International
ABET	ABET, Inc.
ABIM	American Board of Internal Medicine
ABPN	American Board of Psychiatry and Neurology
ACCE	American Council for Construction Education
ACCGC	Accrediting Council for Collegiate Graphic Communications, Inc.
ACEJMC	Accrediting Council on Education in Journalism and Mass Communication
ACEN	Accreditation Commission for Education in Nursing
ACEND	Accreditation Council for Education in Nutrition and Dietetics
ACGME	Accreditation Council for Graduate Medical Education
ACME	Accreditation Commission for Midwifery Education
ACNM	The American College of Nurse Midwives Accreditation Commission for Midwifery Education
ACPE	Accreditation Council for Pharmacy Education
ACPHA	Accreditation Commission for Programs in Hospitality Administration
ACS	American Chemical Society
ACSP	Association of Collegiate Schools of Planning
ALA	American Library Association
AMTA	American Music Therapy Association
ANCC	American Nurses Credentialing Center
AOTA	Accreditation Council for Occupational Therapy Education
APA	American Psychological Association
ARC-PA	Accreditation Review Commission on Education for the Physician Assistant, Inc.
ASE	National Automotive Technicians Education Foundation
ASE	ASE Education Foundation
ASHA	American Speech-Language Hearing Association
ASHP	American Society of Health-System Pharmacists
ATMAE	Association of Technology, Management, and Applied Engineering
AVMA	American Veterinary Medicine Association
AWS	American Welding Society

CAA	Council on Academic Accreditation in Audiology and Speech-Language Pathology: American Speech-Language Hearing Association
CAAHEP	Commission on Accreditation of Allied Health Education Programs
CAATE	Commission on Accreditation of Athletic Training Education
CACREP	Council for Accreditation of Counseling & Related Educational Programs
CAEP	Council for the Accreditation of Educator Preparation
CAHIIM	Commission on Accreditation for Health Informatics and Information Management Education
CAHME	Commission on Accreditation of Healthcare Management Education
CAPTE	Commission on Accreditation of Physical Therapy Education
CCNE	Commission on Collegiate Nursing Education
CEA	Commission on English Language Program Accreditation
CEPH	Council on Education for Public Health
CFP Board	Certified Financial Planners Board of Standards
CIDA	Council for Interior Design Accreditation
COA	Council on Accreditation of Nurse Anesthesia Educational Programs/Schools
