UPDATES

A. Transfer and Articulation Council (TAAC) update was provided by Jon Marshall, Allen CC.

During the April 10th meeting, several institutions submitted courses for approval for System Wide Transfer. The Core Outcome subcommittee began review of the TAAC Operating Procedures. The Quality Assurance subcommittee began preliminary work for the 2019 TAAC Quality Assurance Report.

OTHER MATTERS

A. Contract for Statewide Pricing for ACCUPLACER Next-Generation Exams and Recommendation for Course Placement was presented by Samantha Christy-Dangermond.

The Board recommends the use of ACCUPLACER as an institution’s primary basic skills assessment test for institutions utilizing placement assessment exams for placement into developmental education. The Board’s recommendation is included as part of the contract for statewide pricing for ACCUPLACER exams. That contract expires June 30, 2019, and staff is in discussions with College Board about renewing the contract. College Board has proposed a pricing increase from the current $1.85 system-approved price to $1.95 beginning July 1, 2019. Jean Redeker noted College Board included several new provisions in the contract which are problematic. KBOR staff is negotiating with College Board on those new provisions to see if they can be removed from the proposed contract.
B. Performance Agreement Working Group update was provided by Brian Niehoff.

The Working Group met on April 12, 2019 and recommend the following:

• Bridge agreements be for two years (AY2020 and AY 2021).
• Each institution retain its current AY2017-AY2019 agreement, indicators, and baselines. The current agreement is then extended for two years (AY2020 and AY2021). The extended agreement (current agreement PLUS the addition of AY2020 and AY2021 reporting years) serves as the bridge agreement.
• An institution will be able to request changes to its bridge agreement. Revised bridge agreements are due to Board staff this summer (due date TBD).

Rick Muma moved to endorse the Working Group recommendation. Following the second of Charles Taber, the motion passed.

C. Open Educational Resources (OER) Update presented by Jean Redeker.

The Student Advisory Committee and a group formed by the Midwestern Higher Education Compact (MHEC) have been working on OER independently. The groups are merging together and are in the process of forming an OER Steering Committee for the state. The OER Steering Committee will work on various aspects including, but not limited to: promoting OER, determining monetary availability, best practices, and assisting the OER champion at the institution. The expectation is to have the new group structure in place by June, and an email soliciting nominations to the Committee was sent to all system chief academic officers with a deadline of April 19th. Staff has currently received 16 nominations. The MHEC OER group, which includes two members of the Student Advisory Committee, is scheduled to meet on April 18, 2019.

**ADJOURNMENT**

Rick Muma moved to adjourn the meeting. Following the second of Carl Lejuez, the motion passed. The Co-Chair adjourned the meeting at 8:41 a.m.
