Approval of Minutes

Jill Arensdorf moved to approve April 20, 2022, meeting minutes, and Aron Potter seconded the motion. With no corrections, the motion passed.

Transfer and Articulation Council (TAAC) Update

Tiffany Bohm provided the update and noted the following:

- May 20, 2022, is the deadline to submit preliminary courses for the fall 2022 KCOG Conference
  - Art for Elementary Education
  - Music for Elementary Education
- Institutions that do not have either course are asked to email Karla to let her know
- The KCOG webpage has been updated with the 2022 KCOG courses, including the 2 new courses and 25 review courses
- Institutions are encouraged to use the TAAC Communication Plan when updating SWT information and utilize the branding provided
• Tiffany Bohm and Casey Fraites-Chapes will be co-chairs again next year and are recommending a 2-year rotation moving forward

Other Matters
• Karla Wiscombe presented the Concurrent and Dual Enrollment policy revision. The document improved with input from institutions, and Karla will present the final policy to the System Council of Presidents later in the day. Karla and Mickey thanked everyone for their contributions to the policy. Many institutions expressed interest in being included on the Dual Credit Steering Committee.

• Daniel Archer presented the draft systemwide General Education policy. The Board’s vision is to have the best transfer system in the country that supports transfer, removes barriers, simplifies processes, and creates avenues to maximize the application transfer credit. Daniel thanked those on the General Education Work Group and the Implementation Committee for their work on developing a package framework and making recommendations on policy. Any additional feedback on the framework and policy is due to Daniel by May 25, 2022. The Board will review the draft policy at its June 15, 2022, meeting.

• Daniel Archer shared possible indicators for the next set of Performance Agreements covering AY 2023 – AY 2025. In October 2020, the Board directed staff to redesign performance agreement indicators with the Strategic Plan in mind. The proposed indicators were sent out for review and feedback. Essentially, the framework consists of five key areas, and institutions select one indicator under each area, with community colleges, technical colleges, and regional universities selecting a sixth “flex” indicator, and research universities selecting a sixth indicator from the category of research. The deadline to send feedback to Daniel is June 1, 2022.

• Sam Christy-Dangermond presented an update on the Accuplacer Contract. The discounted price is $2.05 per exam. Per this contract, KBOR encourages all 2-year institutions to use Accuplacer as their primary placement exam, and any institutions that discontinue using Accuplacer must notify Accuplacer within 15 days of stopping. There is no minimum number of institutions required to use Accuplacer as the primary exam to get the discounted price. Sam will email the contract information as well.

• Mickey McCloud presented a KCIA update. At the last meeting, they discussed the concurrent enrollment partnership policy, connections with the College Advising Corps, and inviting the College Advising Corps to give a presentation at the KCIA in-person retreat in June. KCIA also discussed approaches taken to track competencies with technical programs and additional opportunities for their June retreat.

• Karla Wiscombe presented the AY 2021 Concurrent Enrollment Partnership (CEP) report. Most of the information for this report can be found in KHEStats. Institutions are encouraged to look at their individual reports in KHEStats. A KHEStats webinar will be held on June 2, 2022, at 10:00 a.m., and the registration link was provided.

Next Meeting
The next SCOCIAO meeting is scheduled virtually for June 15, 2022, at 8:30 a.m.

Adjournment
Michelle Schoon moved to adjourn the meeting, and Aron Potter seconded the motion. With no further discussion, the motion passed. The meeting adjourned at 9:24 a.m.
