- The Core Outcomes Subcommittee is reviewing the TAAC Operating Procedures and plans to clarify the adjudication and appeal process
- The Quality Assurance Subcommittee is working on the 2022 Quality Assurance Report
- TAAC will continue to meet one week prior to Board meetings but has changed their meeting start time to 2:00 p.m. for next year

Advanced Placement (AP) Report
Tara Lebar summarized the 2021 Advanced Placement (AP) reports. The 2021 AP Summary Report for both 2-
year and 4-year institutions can be found at https://www.kansasregents.org/academic_affairs/credit_for_prior_learning/ap-clep-exams. Tara noted the following:

- Data continues to show a decline in both sectors for the number of test-takers, exam scores reported, and scores of three or above
- Compared nationally, the number of test-takers, exam scores reported, and scores of three or above are also below national averages
- Two new AP courses are being developed; AP African American Studies will start with a small group of pilot schools this fall 2022, and AP Pre-Calculus will launch nationwide in fall 2023. Institutions will receive scores from both new courses in Summer 2024
- College Board is hosting a National Higher Education Symposium on AP Pre-Calculus in Cleveland on November 4-6th. This is fully funded, including travel, and will review the course framework and provide feedback. Math faculty that may be interested should reach out to Tara at tlebar@ksbor.org.
