RE: Recommendations from the Placement Measures Committee

The Board Academic Affairs Standing Committee (BAASC) met today, September 4, 2024, and reviewed the recommendations from the Placement Measures Committee as part of the agenda. I am pleased to report that the BAASC members unanimously supported the recommendations outlined in the attached issue paper, which will go into effect with full implementation by Fall 2025.

On behalf of the KBOR Academic Affairs staff, we sincerely thank the faculty and staff who dedicated their time and expertise to this work (listed below).

Guidelines and best practices for implementing these approved statewide placement measures will be discussed at upcoming Executive Implementation Team (EIT) and Math Pathways Taskforce meetings. If you have any questions before these topics are addressed in scheduled meetings, please contact Dr. Jennifer Bonds-Raacke at jbondsraacke@ksbor.org.
