

TEA Goals 2020-2021

1. Support Kansas Board of Regents 2020-2021 goals and advocate for all public postsecondary institutions
2. Continue extraordinary costs review
3. Evaluate Excel in CTE funding allocation options should the program be underfunded
4. Continue the existing CTE program review process including reviewing those programs that pay less than 250% of the poverty rate
5. Work with Commerce and KSDE in developing definitions, guidelines and processes for work-based learning (apprenticeships, internships, work experience, etc.)
6. Improve CTE program alignment between KSDE and the postsecondary institutions
7. Raise awareness of CTE programs and information available to students, parents, school districts and businesses
